

# MOUNT KILIMANJARO TREK

TANZANIA • TREK • EXTREME

## ABOUT THE CHALLENGE

**REDUCED REG.FEE\* FOR FEBRUARY 2018 DEPARTURE! BOOK BEFORE 29.09.17 TO CLAIM.**

*\*£449 down from £499*

Climb the highest freestanding mountain in the world! Kilimanjaro is the highest mountain on the African continent at 5896m. Its snow-capped summit rises high above the dusty African plains; huge permanent glaciers flow down from the summit, spectacular views and beautiful ice formations are the reward for pushing your limits both physically and mentally.

## MOUNT KILIMANJARO TREK • 10 DAYS

Our trek takes the Machame route, allowing gradual acclimatisation to the altitude and an excellent chance of reaching the summit. We pass through thick forest, moorland and scree en route to Uhuru Peak, the highest point. This is a challenging trek at altitude, climbing one of the most impressive mountains in the world.

### Day 1: Depart London

---

### Day 2: Arrive Moshi

Arrive at Kilimanjaro International Airport; transfer to Moshi town, where we can admire the views of Kibo, the crater at the summit and the youngest of Kilimanjaro's three volcanic cones. We check in and relax, with time to sort out our kit for tomorrow before dinner and a briefing. Night hotel.

---

### Day 3: Machame Gate – Machame Camp

One hour's drive from Moshi lies the gate to the Machame route, where we complete park formalities, meet our crew of porters and start to climb! The first section of the route climbs steadily and passes through magnificent, dense rainforest. This path is less well-trodden so it can get somewhat overgrown in places and it is often wet and muddy underfoot. Night camp: Machame Camp (3100m).

**Trek approx 18km / 5-7 hours**

---

---

## Day 4: Machame Camp – Shira Caves

Our route continues on up through the forest until we reach the steep ascent onto the Shira Plateau, where there are rewarding views of the mountain. Looking back, you will be able to see Mt Meru rising high above Arusha town in the distance. Night camp: Shira Caves (3840m).

**Trek approx 9km / 4-6 hours**

---

## Day 5: Shira Caves – Barranco Hut

Walking now on high moorland, the landscape changes the entire character of the trek. We traverse the southwest side of Kilimanjaro, passing underneath the Lava Tower and the final section of the Western Breach and finally reach camp at Barranco Hut (3900m), a tin shack where we pitch our tents. The day has been spent at altitude (up to 4600m), but we have followed the mountaineering code of 'walk high, sleep low' to aid your body's acclimatisation to altitude. Night camp: Barranco Hut (3900m).

**Trek approx 15km / 8-10 hours**

---

## Day 6: Barranco Hut – Barafu Camp

Our day starts by descending into the Great Barranco, a huge ravine. We then exit steeply, up the Great Barranco Wall, which divides us from the southeastern slopes of Kibo. It's a climb over rock, not technical, but long and tiring. Passing underneath the Heim and Kersten glaciers, we head towards the Karanga valley, which is our last stop for fresh water before the summit. Scree now forms the terrain as we walk through arid and desolate land towards camp. Night camp: Barafu Camp (4600m).

**Trek approx 18km / 7-9 hours**

---

## Day 7: Barafu Camp – Summit – Millennium Camp

We avoid walking too long in the heat of the sun today by starting while it's dark, and walk steeply upwards to the summit glaciers. We will be climbing scree for 4 to 5 hours but gain incredible height over a short distance. The views are spectacular. We should be on the crater rim at Stella Point (5739m) as the first rays of the sun hit us. Spectacular ice cliffs within the crater surround us and the views to jagged Mawenzi – Kilimanjaro's secondary but more technical peak – and beyond are breathtaking. Another hour's walking takes us to the summit, Uhuru Peak (5896m); Uhuru means freedom in Swahili. We begin our descent by returning to Stella Point and then descending on scree slope and track back to Barafu Camp for breakfast, before finally heading down to camp for a long well-earned rest. On our descent we have fabulous views of the plains and Mawenzi. Night camp: Millennium Camp (3720m).

**Trek approx 20km (7km climb); 10 – 12 hours**

---

## Day 8: Millennium Camp – Mweka Gate – Moshi

A gentle trek takes us down through the rainforest to Mweka Gate, where we complete park formalities and receive certificates, which you can hang up with pride! We are then met by our vehicles and return to the hotel in Moshi, where you can treat yourself to a welcome shower (and a cold beer or two!) before our big celebration. Night hotel. *(Dinner not included)*

---

**Trek approx 10km; 5 hours**

---

### **Day 9: Free time Moshi – Flight**

Free day, allowing you to explore Moshi, where there are some good markets, and relax with your fellow achievers. You can also opt to visit a Community Project we support on a long-term basis – a children’s home on the outskirts of Moshi. We return to the hotel mid-afternoon in time to transfer to the airport for our international flight home. *(Lunch not included.)*

---

### **Day 10: Arrive UK**

---

---

## **WHAT'S INCLUDED**

- All transport from London to Moshi return
- All meals except where specified, accommodation and camping equipment

## **CHALLENGE INFORMATION**

### **DETAILED INFORMATION**

#### **Flight Information**

Group flights leave from London Heathrow or Gatwick, (we regret that we are unable to book connecting flights), and are booked through Discover Adventure Ltd under ATOL licence 5636. By travelling with Discover Adventure you are protected by the Civil Aviation Authority (CAA). We do not always use the same airline for each destination; if you wish to know the probable carrier please call

for details. You will usually receive confirmed flight details several months before departure. Our itineraries are always based on current flight schedules and are therefore subject to change by the airline. If you prefer to book your own flights please ask us for a land-only cost.

---

### **Roomshare Arrangements**

Accommodation is usually on a twin-share basis in hotels or camp. Occasionally we may use hostel-style accommodation. Please tell us if you know somebody else on the trip that you would like to share with and we will try our best to accommodate your request. If you don't know anyone else in the group don't worry, we always pair you up with someone of the same gender, and a similar age where possible. We do not charge a single supplement if you are a solo traveller.

---

### **Accommodation**

We camp in two-man tents; these are usually expedition-style (ie sleeping room only). Camps are usually simple, in remote locations with great views! We have communal dining areas (usually with tables and chairs/stools) and toilet tents, and the local crew look after us very well. We stay in hotels (of a 2-3\* standard or equivalent) at the start and end of the trip; standards may vary between different hotels, but they are generally clean and comfortable with good facilities.

---

### **Food & Dietary Requirements**

The food provided is plentiful, often local in style and freshly-cooked, and will give you plenty of energy. Sometimes we enjoy a buffet-style lunch-stop, other times we might have packed lunches. On some trips we stop at small local restaurants. Dinners are generally eaten in camp or at the hotel, depending on accommodation. In some regions there may be less variety than you are used to, and in others fresh meat or produce can be harder to come by. Any meals not included are listed in the itinerary and are generally on travel / free days, giving you the opportunity to explore and try other culinary experiences! There is always something to suit different budgets.

Being vegetarian or having other dietary requirements is not usually a problem provided you let us know well in advance. Please do not expect as much variety as you would have access to at home – we may be in very rural or remote areas and among people of a different culture who may not understand your requirements, however willing they are to help. If you know there are plenty of foods you cannot eat we strongly recommend you bring extra snacks from home so you can top up your energy supply. Please feel free to ask us for advice.

---

### **Leaders & Trip Support**

---

Your trip will be led by experienced Discover Adventure leaders. Our leaders are selected for their experience in harsh wilderness environments, knowledge of travel in remote areas, friendliness and approachability, sense of humour and ability to safely and effectively deal with any situation that arises. They are also trained in expedition first aid. You are in very safe hands with a Discover Adventure leader. Usually leaders are based in the UK or other English-speaking countries and lead for us regularly throughout the year in many different countries. In some instances, trips are led by in-country guides with a wealth of knowledge about the region; they have been trained by us to provide the level of support expected on a Discover Adventure trip.

---

### **Trip Doctor**

An expedition doctor or medic accompanies the group (dependent on group size.) Their role is to look after the well-being of the whole group and deal with any incidents. They help the leaders to ensure the trip runs smoothly, and encourage you when things get tough. The total number of crew looking after you will depend on the final size of your group, but at Discover Adventure we pride ourselves on our high leader: participant ratio and believe it leads to greater trip enjoyment as well as excellent trip safety.

---

### **Local Support Crew**

Our local support crew is made up of local guides, assisted by drivers, porters, cooks and other support staff, depending on the type of trip. Local guides know the area well, and are a great source of knowledge about local customs and lifestyles. Not all support crew will speak English well, but are very friendly and approachable. The Discover Adventure crew work closely with the local crew to ensure your trip runs smoothly and safely.

Your leader will arrange a collection of tips for the local support crew at the end of your trek, and you will be provided with a guideline amount in advance. Tipping is not obligatory, but once you see how hard they work on your behalf you will be happy to donate something! All our local crew are paid wages, but bear in mind that the average wage in many countries we travel to is far below what you would spend on a normal night out.

---

### **Luggage**

Your luggage, food, water and equipment is transported for you from one night-stop to the next. If there is easy road access this is done by vehicle; if not porters, mules or even camels might carry your bags, depending on the destination and terrain.

Space is limited and hard-sided luggage is not suitable, so it is essential that your kit is packed in a soft bag, rucksack or expedition kitbag. Ask us about our specially-designed low-cost kitbags if you

don't have one already. You should also bring a small daypack to carry for items needed during the day as you will not have access to your main luggage until the evening.

---

### **Trip Safety**

Your safety, and that of the rest of the group, is our highest priority. Our trips are designed and planned with safety in mind. Your crew will be equipped with communication devices (eg phones, radios and/or emergency satellite phones), medical kit and other safety apparatus appropriate to the destination. Our leaders always have access to our 24-hour emergency UK back-up. They are responsible for safety on the trip, and will make any changes to the itinerary they deem necessary, should local conditions dictate. Pre-trip administration - such as medical questionnaires and travel insurance as appropriate - is all done with your safety in mind.

---

## **PREPARING FOR THE CHALLENGE**

### **Clothing**

We plan our trips around the optimal weather conditions, but could still be exposed to bad weather at any time. It is vital you are prepared for all conditions. We provide you with a detailed packing kit-list on registration, as well as details on useful discounts you are entitled to as a Discover Adventure customer. We are always available if you need advice.

---

### **Fitness Levels**

This is designed to be a challenge, and it is vital that you train sufficiently for it. We will supply you with a thorough training guide once you have registered. We expect all participants to train hard in advance, but we respect everyone's limits and do not expect everyone to maintain the same pace. Inadequate training is likely to have an impact not just on your chances of completing the challenge, but enjoying it too - and we want you to have the time of your life!

Our challenges attract people of all levels of experience and fitness, all ages and backgrounds. We design our challenges so that everyone can go at their own pace: this is not a race. For logistical and safety reasons we sometimes need to re-group, so the front-runners may find themselves waiting for

the slower ones. Please relax, and remember that this is a team effort that enables people to achieve their personal goals and earn sponsorship.

---

### **Passport & Visa / Vaccinations**

Entry requirements vary depending on your destination and nationality. It is your responsibility to ensure your passport is valid, and any visas are obtained in good time. Check the [FCO's advice](#) on entry requirements for your destination to be sure. To find out if you need a visa you can [check requirements on our website](#); please ensure you allow plenty of time.

Your routine UK schedule of vaccinations should be up-to-date (especially tetanus). We recommend you check [Fit For Travel](#) for further details. You should always check with a GP or travel clinic for up-to-date travel health advice as it does change.

---

### **Cultural Differences**

For most people, the main attraction of travelling to a different country is to see new sights and enjoy new experiences. Sometimes those new experiences can make life harder or more inconvenient than you may like, such as toilet hygiene or different food, or simply a different attitude to solving problems. This is all part of the challenge you are signing up for! We are very privileged to live in a country with a high standard of living, and travelling exposes us to different challenges – all of which help broaden our horizons. We can guarantee that coming face-to-face with experiences outside your normal 'comfort zone' will help you bond with your fellow participants and provide you with plenty of things to laugh about! A sense of humour and sense of adventure are two of the most important things to bring with you!

## **CHALLENGE EXTENSIONS**

## NGORONGORO CRATER SAFARI

A trip to East Africa is not complete without seeing some of the wildlife and scenery synonymous with the great open African Plains. We are therefore offering you the chance to unwind on safari after the exertions of your Kilimanjaro trek!

We visit the famous Ngorongoro Crater, Tarangire National Park and Lake Manyara National Park, all of which offer stunning scenery and the chance to see the big five: lion, elephant, buffalo, rhino and leopard, as well as giraffe, zebra, hippopotamus and many species of antelope, monkey and smaller mammals and birdlife.

You will stay in a permanent tented camp just outside Karatu, with good facilities including beds, mosquito nets, solar-heated showers, and local guides and cooks to look after you. The guides are very knowledgeable about the flora and fauna you encounter, and will do their utmost to make sure you experience as much as possible of their wildlife, scenery and culture. This is a great way to fully round off your African experience!

*The downloadable itinerary gives you an idea of the main regions you will visit on safari, but please bear in mind that your guides will vary the exact locations you go to depending on local conditions and wildlife sightings. The actual itinerary is designed to be very flexible to maximise your time spent watching wildlife.*

**Min 4 pax - £75 supplement for 2-3 pax**

## ZANZIBAR EXPERIENCE

Zanzibar – the Spice Island – conjures up romantic images of clear azure sea, white sandy beaches and fragrant spices. It lies off the Indian Ocean’s Swahili Coast, home to some of the warmest ocean water on the planet.

We spend a night in atmospheric Stone Town and have the chance to explore its historic narrow stone alleys before heading to our hotel on the beautiful north tip of the island. Relax on the idyllic beach or arrange your own activities, from snorkelling and diving to dolphin-watching trips and spice tours – the perfect way to relax after the rigours of your trek.

Once in resort, this extension does not have an organised itinerary. You are free to spend your time as you wish.

## TREK TRAINING WEEKEND

**£160 Special Offer - Only when you book at the same time as registering for your main challenge**

Discover Adventure Trek Training Weekends take place in Snowdonia National Park, Wales. This training weekend is designed to put you through your paces to enable you to gauge fitness levels and gain advice from our experienced leaders.

## GRADE | EXTREME (5)

Trip grades range from Challenging (1) to Extreme (5).

EXTREME trips involve very taxing terrain and conditions, often with extremes of temperature, at altitude. They will test

your stamina and perseverance to the max.

Discover Adventure reserves the right to change the route or itinerary for safety reasons should local conditions dictate.

Please note: This document was downloaded on 29 Aug 2017, and the challenge is subject to change.
