

How to log your steps

1. Make sure you are logged into your JustGiving March the Month page by following this link:
<https://marchthemonth.prostatecanceruk.org/?login=true>

2. Once logged in, click the button labelled **MY PAGE** in the top right corner on desktop and mobile.

3. Scroll down your page until you see the button **LOG STEPS**. Click on this button.

4. The "**Log steps**" box will pop up asking you to input your step count, the date you are adding steps for (in the last week) and a description of how you found the challenge that day or what you got up to. This description is a great chance to let your sponsors know how you're getting on.
